Safeguarding Statement

Warrington Literary and Philosophical Society is an organisation run primarily for adults. We do not normally organise activities specifically for children or vulnerable adults.

We are committed to providing a safe, welcoming and respectful environment for everyone attending our meetings and events. We expect all members, speakers and visitors to treat others with courtesy and respect.

If a child (under 18) attends one of our events, they should normally be accompanied by a parent, guardian or other responsible adult.

Any concerns about the safety or welfare of a child or vulnerable adult should be reported promptly to the President (or another Council member if the President is unavailable). Where there is an immediate risk of harm, the Police or other appropriate emergency services should be contacted without delay.

The Society will review this statement periodically to ensure it remains appropriate to the nature of its activities.
